A closer look

Experience mountain views and nearly 4,000 sq. ft. of finished living space in this custom-built 7-bedroom residence in EchoHaven, one of Calgary's most distinctive environmentally conscious communities. One of only 25 homes in this award-winning all-electric enclave, the property combines executive-level finishes with exceptional energy performance and independently recognized sustainable design.

ILFI-certified and designed to produce energy to nearly offset annual energy consumption, the home also carries CMHC EQuilibrium™ recognition, an EnerGuide 84+ rating, and was an Alberta Emerald Award finalist. Exceptionally airtight construction was blower-door tested to 0.49 ACH50. There are no gas lines; heating and cooling are provided by a heat pump system supported by rooftop solar. Underground rainwater harvesting can reduce municipal water use by up to 72%, while the community preserves 60% of its natural land, including wetlands, aspen stands and a resident-owned creek.

Inside, the home offers 7 bedrooms and 5 bathrooms across three fully finished levels. Features include 9-ft ceilings throughout, 8-ft main-floor doors, zero carpet, engineered hardwood and LVP flooring, upgraded quartz counters, MDF closet systems and whole-home surround sound.

The gourmet kitchen includes an oversized built-in refrigerator, wall oven, wall microwave, cooktop with Elica hood fan, wine cooler, large island, pantry and breakfast bar. A separate spice kitchen adds an induction cooktop and second refrigerator. The main floor also offers a bedroom or home office, 3-piece bath, electric fireplace and mudroom with built-in bench.

Upstairs, the primary suite features heated ensuite floors, dual vanities, a soaker tub and tiled shower. A second bedroom has a private ensuite and dual closets, while the third and fourth bedrooms share a Jack-and-Jill bath with dual vanities. The fully finished basement adds two more bedrooms, a full bath, recreation/flex space, wet bar with refrigerator and secondary laundry.

Outdoors, enjoy a new 49 x 11 composite deck with aluminum railings, plus fresh sod along both side yards and the front. A double attached garage includes EV charger rough-in.

Shane Homes YMCA, schools, shopping, parks and transit are all nearby, with Tuscany LRT offering convenient access downtown and Crowchild and Stoney Trail close at hand. A rare opportunity to own a highly efficient, exceptionally finished home in one of Calgary's most distinctive residential communities. See more on the property website!
