A closer look

Welcome to 57 Red Sky Green NE in Redstone - a bright, well-kept family home with space for everyone, and a 3 bedroom legal basement suite.

The main home has 7 bedrooms and 4 bathrooms across 2,395 sq ft, plus a finished 1,017 sq ft basement. On the main floor, the open kitchen has granite counters, stainless steel appliances, a gas range and a large island - and a separate spice kitchen. The living room has a stone gas fireplace, and there is a main-floor den for work or study.

Upstairs, the primary bedroom has a walk-in closet and a spa-like ensuite with a soaker tub and glass rain shower. The laundry is upstairs too. The home has central air conditioning and two furnaces, so every level stays comfortable in every season.

The legal basement suite has its own kitchen, living room, bedroom and laundry - ideal for extended family. That makes three kitchens in total under one roof.

Outside, there is a double attached garage plus parking for two more vehicles off the back lane. The park, with its playground and splash pad, is just steps away.

A home that gives your family space, comfort - all in one place. Book your showing today.
