A closer look

A 7-bedroom home on a quiet cul-de-sac, backing directly onto the water pond with no back lane behind you and a 3-car front garage. Step inside to a soaring open-to-above living room, with a separate family room and open-concept kitchen making up the rest of the main floor. A large main-level deck overlooks the pond, ideal for morning coffee or summer entertaining. Also on this level: a bedroom that works equally well as a home office, plus a full 4-piece bathroom for guests.

Upstairs, the primary suite comes with a spa-inspired ensuite featuring a jacuzzi tub and separate shower, along with its own private deck and uninterrupted pond views. A second primary bedroom with its own attached bathroom offers flexibility for extended family or a live-in guest. Two more bedrooms share a well-appointed Jack & Jill bathroom.

The fully developed walk-out basement is built for gatherings: a spacious recreation and entertainment area with a wet bar and pool table, two large bedrooms, a full bathroom, and a separate entrance for added flexibility.

Outside, the fully landscaped backyard opens onto a concrete patio with the pond as your backdrop. Underground sprinklers keep it effortless, while an alarm system and security cameras keep it secure. Pond views, a cul-de-sac location, seven bedrooms, and three garage bays.
